Price list for monoprinting at Trillium:

Price for one person: \$500.00 per day for up to three days

Price for two people: \$750.00 per day for up to three days

Price per day over three days per person: \$250.00

Price includes:

Archival Rag Paper (Coventry by Sommerset 50 x 38")

Plates (Aluminum plate covered in Mylar with maximum print size of 50 x 38")

Ink (We use oil based lithography ink with no drier)

Trillium staff person to assist and run the press

Curation of prints (cutting or tearing down of prints to finished size)

Brushes and brayers (Although we do suggest bringing your own)

Options and Extras:

Digital images can be used as a base layer for monoprinting, however this requires printing and prep work before you come in to monoprint. Please contact us to discuss this option so we can determine the images to be used, print and prep the images and figure out pricing.

We can also seal the paper so that the ink transfer is more dense and saturated (because it does not soak into the paper). This does require extra prep time and cost an additional \$10 per sheet of paper coated.

If you wish to use drawings, photocopies, your own digital images or basic outlines under the Mylar on the plate, let us know, we will be happy to sandwich them in between the mylar and aluminum when we make your plates for you.
